#RMITOpenDay
Open Day at RMIT Bundoora

Visit RMIT Open Day at Bundoora and experience our purpose built learning facilities that help develop health, biomedical sciences and education professionals whose skills are valued not only in Australia but around the world.

With strong industry links, many programs include industry placements, student clinics and work experience.

Open Day gives you the opportunity to visit the facilities and talk to students, staff and find out more about our renowned programs.

RMIT Campuses

As well as Bundoora, RMIT University has two other campuses in Melbourne and two in Vietnam – Ho Chi Minh City and Hanoi.
